**To Whom It May Concern**

Dear Sir/Madam

**LETTER OF RECOMMENDATION: VICKSTROM INTERNATIONAL**

We are writing to recommend the services of Vickstrom International as a provider of interpretation services.

We had the pleasure of working with Mr. Bernard Kasekete and his team during the Afreximbank Board and Committee Meetings held March 21 - 22, 2014. Vickstrom provided an excellent service which was noted and appreciated by Afreximbank.

We therefore do not hesitate to recommend Vickstrom International as an excellent service provider of interpretation services.

Yours faithfully

**For and on behalf of Afreximbank**

**Violet Machaka**
