Reference: Recommendation Letter

To whom it may concern:

I am writing to recommend the services of Vickstrom International as a provider of interpretation equipment.

I had the pleasure to work directly with its Chief Executive Officer, Mr. Bernard Kasekete, during the 20th session of the World Tourism Organization (UNWTO) General Assembly held in Victoria Falls, Zimbabwe on 24-29 August 2013. Mr. Kasekete and his team worked under my direct supervision as Chief of Conference Services at UNWTO.

Vickstrom International was able to meet our needs to full satisfaction. Indeed, they put their own know-how into the successful set-up and functioning of the interpretation equipment needed for this meeting, including booths for simultaneous interpretation in the five official languages of the Organization, along the specifications of the International Association of Conference Interpreters (AIIC).

The unique services by Vickstrom International did make a significant contribution to the success of the 20th session of the UNWTO General Assembly. Their excellent performance was noted and appreciated. I therefore highly recommend their services in other events.
